

## **BRYNCIR FATSTOCK REPORT 22.11.23**

Entries included 1083 Lambs, 138 Cull Ewes and 47 Cull + OTM Cattle. A very mixed entry in the Lamb section, but the same story as of late, meat awarded a premium trade with leaner Lambs more difficult to handle. A large percentage being between 22kg to 28kg. Cull Ewes dearer.
